Magic Octopus assists you in designing and organizing tailor-made events, designed to meet your objectives and enhance your image. As experts in renting exceptional venues, we identify spaces that are perfectly suited to each project, whether it be seminars, parties, trade shows, or product launches. We take care of all the services necessary for the smooth running of your events, including catering, technical support, reception, and logistics. Our team designs and builds customized stands that combine aesthetics, functionality, and consistency with your brand identity. We also provide a selection of elegant and modular event furniture. From the design phase to the final realization, we orchestrate every detail to offer a smooth, impactful, and perfectly controlled experience.

Location

Located among the top venues in Cannes, this location offers a prestigious setting. We offer tailor-made support including production, coordination, scenography, furniture, catering, and technical management. Its great flexibility allows for rental by the day or over several days, particularly during trade shows. This venue is an exceptional location for high-value-added events.
